Welcome everyone for the Stallions' last home game of the season at the alternative venue of English Park.

I'd like to thank everyone who has made the effort to get to the games and support the boys for hopefully another performance like last weeks against Nelson.

It was a great game to watch and be involved in, as the boys put in one of their best performances of the season against a strong Nelson side. Going 1-0 up and then 2-1 up, we were disappointed to finish the game with a draw after conceding in the 85 minute. However, we've taken a lot of positives out of the game and will take that confidence into another tough game against Ferrymead Bays.

We host Ferrymead Bays this weekend so I'd like to welcome Alan, his players and club officials to the much closer venue of English Park for Saturday's game. I'm sure tomorrow will be another hard fought game with hopefully the Stallions coming out on top with a win and securing MPL football for another year in the process! I look forward to seeing everyone out at English Park tomorrow!
