

# GREEN BAY SCHOOL YEAR 7 OPEN EVENING

**Date:** Thursday 13 August 2020  
**Venue:** Green Bay School Hall  
**Address:** 131 Godley Road, Green Bay  
**Time:** 6:30pm—7:30pm

The Principal and staff of Green Bay School would like to invite you to our Intermediate Open Evening.

During this evening we will discuss what we are able to offer your child in their ongoing educational voyage.

Green Bay School has a dynamic and experienced intermediate department. Our students benefit from a comprehensive classroom programme that centres on the essential learning areas.

We offer a full curriculum aimed at Year 7&8 students in order to prepare them for high school and alongside this, we also work collaboratively with Green Bay High School in a number of learning areas, including Technology.

This will be an opportunity to meet our senior school teachers and the school leadership team including our Principal, Mr Muthoo.

We look forward to meeting you.
