IMPORTANT NOTES:

Oaklands Te Kura o Ōwaka is not in the decile range of 1-7 so we are not eligible to join the Government Donation Scheme. This means in 2022 Oaklands Te Kura o Ōwaka will continue to ask for donations and contributions as it has in the past for curriculum based activities. Donations contribute to covering the day-to-day costs of our school. As has also been the case in the past, families and whānau can choose to pay a donation in full, in part, or not at all. Activity contributions for 2022 have also been requested. These contributions cover some additional curriculum activities that our children engage in throughout the year. For example, this includes the food, accommodation, and travel costs associated with day trips and camps. Without this contribution Oaklands Te Kura o Ōwaka would not be able to continue to offer these options in 2022 and beyond.

Please note that payments cannot be accepted before 1st January 2022 as fees can't be added to Kindo before this date.
