

PENINSULA ART AUCTION

3-4 AUGUST, LYTTELTON

WWW.PENINSULA-ART.CO.NZ

Dear parents and whanau,

The Peninsula Art Auction is getting close! This event is the biggest fundraiser we do for the school raising in excess of \$40,000 and this year the funds will go towards learning initiatives in the arts, literacy, science and technology.

We need your help!

As you can imagine it is an enormous job organising this event and we have a hard-working group of parents who have been organising the event over the past 6 months but now we need help from the wider school community. Here are some ways you can help:

1. **Pop-up Gallery preparation and hanging artwork** (Thur 1 Aug & Fri 2 August). We are looking for people who can hang artwork and move furniture (day and evening), handy if you have an electric screwdriver!
2. **Helping at the pop-gallery over the weekend** (during the day, 3-4 August).
3. **Helping at the Gala Event** (evening, Sunday 4 August).
4. **Helping at the school Art Week** (29-31 July). We have an awesome week of art related activities organised, including workshops with resident artists. We require parent help for some of these activities.

Sign up at the office or text/call Cat MacGregor 021 288 8590.

Come along to this fantastic event! You can find out more about the Peninsula Art Auction at www.peninsula-art.co.nz. Look forward to seeing you there!

Ngā mihi nui
