

# Kaikorai Primary School Redevelopment

## Notice of Tyne Street Traffic Management

Dear Neighbour,

Naylor Love Construction is planning on forming temporary vehicle access off Tyne Street turning circle to safely access work zones for demolition and construction as part of the Kaikorai Primary School Redevelopment at 22 Tyne Street Dunedin. There will be a traffic management plan in place to safely direct pedestrians across the road whilst the footpath is closed, but we endeavour to keep the turning circle operational. As approved by DCC Transport, the temporary road will be formed on 31<sup>st</sup> August and will be in place for four months.

If you have any questions or concerns about this activity or the project, please feel to contact Naylor Love Site Manager Monty Wong, on 021 709 298 or [monty.wong@naylorlove.co.nz](mailto:monty.wong@naylorlove.co.nz). Alternatively, Logic Group Project Manager, Cameron Olsen, as the Ministry of Education Representative, can be contacted below.

### Ministry of Education Representative

Cameron Olsen on 021 292 2790 or [camerono@logicgroup.co.nz](mailto:camerono@logicgroup.co.nz)

Kind Regards

**Naylor Love Project Manager**

Sam Brunt
