

# Easter Baskets 2022

## OGHS Community Service

For the last 18 years we have delivered a small Easter gift to residents of local Dunedin rest homes.

Students are invited to contribute some small eggs or wrapped Easter treats to go in bags for Easter.

Eggs can be brought to **the donations box in the school library** each morning until Wednesday 13 April. For people who cannot eat Easter eggs students are invited to bring small packets of combs, tissues, handkerchiefs, facecloths, pens, notebooks or small cakes of soap suitable for both men and women.

Last year we delivered over 350 Easter baskets.

For further information contact: Ayesha Downes (Community Service Prefect) or Mrs Sue Watt (Principal's P.A)
