

# Te Rūnanga o NGĀI TAHU

## Kia-ora Whanau - Students and Parents

Ngai Tahu offers learning support to all their Whakapapa through professional tutoring like Kip McGrath. If your son or daughter is registered with Ngai Tahu then they could qualify for one or two terms of tutoring each year, Primary through to NCEA studies. Kip McGrath offers tailored tutoring with teachers who specialise in Mathematics, English and NCEA.

There is a simple application process on the Ngai Tahu website.

You can:

- Google - [Ngai Tahu learning support](#), for the application form.
- Google - [Ngai Tahu Whakapapa](#), if you are not registered.

Our experience shows that tutoring can make all the difference to student learning! Tutoring also helps support the teaching and learning at school. Students at Kip McGrath see their confidence grow and their achievement race ahead.

For any questions you may have please call us.
